14. I have successfully submitted the online application, should I send the print outs of the application to the committee by post?

Once an applicant has successfully submitted the application through online, the same gets registered with the Committee and the applicant is not required to send a hard copy of the print out of his/her application to the Committee office. However, it is strongly advised that the applicant keeps a hard copy of his /her application for his/her own record or future communication.

15. I am filling up the various modules in the application and the process of filling up the form is yet to be completed. I want to change the filled up information in one/many columns. How should I do this?

Or

I filled my form and completed the form. I have made some errors. What should I do to remove these errors?

You can change/update the information in different modules (except registration details) before the submission of the application. System will show the preview of the completed application. You are advised that you submit your application when you feel that all information is correct. Once submitted, the information cannot be changed anymore. Candidates are also advised to check the quality of photo and signature you have uploaded. The candidates may note that in case the quality of photograph/signature is not acceptable / poor, then their application is liable to be rejected by the committee.

16. In which format the scanned photograph and signature should be?

The images of the photograph and signature should be scanned in the .jpg format.

17. Whether the photograph should be in Black & white or should it be in a color?

Both are acceptable as long as they are as per the given specifications and quality of photograph is good enough to be identifiable and acceptable. The photographs should have taken after the date of notification.

18.What should be the size of the scanned photograph and the signature?

The candidate should scan his/her signature, which has been put on white paper with black ink pen. Each of the scanned images of the photograph/signature should not exceed 40 KB in size (for photograph, the pixel size is 140 pixels height x 110 pixels width and for sign it should be 110 pixels height x140 pixels width) and also to be ensured that the uploaded photograph/signature are proper.

19.How do I load my signatures/photograph?

The scanned photograph and signature in the format and the specification which has already been explained above is to be uploaded.

20. My photograph and signature as I loaded on the site are not appearing right. What should I do?

After uploading photograph and the signature a fresh page shows the preview of the uploaded images. If, the applicant is satisfied with the uploaded images he may click on **Upload** button. In case the applicant is not satisfied with the uploaded images, he may click on the **Upload Signature** button. Then he may click on the **Upload thumb impression** button. The reloaded photograph/ signature can again be viewed by clicking on the **Image refresh** button. **The process can be repeated till satisfaction. The Candidates may please note that if the quality of photograph/signature is poor, the application is liable to be rejected**

After having clicked on the **Upload** button, the system will not allow any changes in the photograph/signature. However, if an applicant is not satisfied with the format/size/quality of the photograph or signature, the applicant may submit a fresh online application with the revised photograph and signature along with prescribed fee to be paid again.

21. I have filled up the form successfully but now, I want to change / correct the details I entered in the Application?

Once an applicant fills up all the columns of the application and the system displays the message that the application has been submitted successfully, there is no provision in the system to make any changes in any

of the columns. Hence, no change can be made at this stage in any of the details.

22. How do I know that my application is registered? OR How do I reconfirm that my application is saved or received ?

The successful submission of the online recruitment application requires the completion of application correctly. After submission of the application the system generates a unique number, which is known as the Application number.

23. I did not receive the e-mail intimation for registration of my application?

You will not receive any E-mail from committee for successfully registering or successfully submission of application.

24. I filled my form and successfully paid the application fee through challan. (Once or several times). However this is not showing in the application status. What should I do?

If you have made your payment successfully through challan and uploaded photo/signature properly, your application has been submitted otherwise it may be connectivity problem and you have to try again.

25. I got Blank / Zero application No. after submission of application on-line what does it mean?

This may mean that the application has not been submitted successfully and you are required to apply afresh.

26. After filling up the complete form, I got Blank Screen / Internet got Disconnected / My PC closed / hanged / shutdown. Is my application saved / registered?

You can fill different module in multiple sitting. In that case the module you are currently working will not be saved. You are requested to press 'next 'Button after completing each module.

27. Can an applicant do multiple registrations for the same Recruitment? What will be status of my candidature if I have successfully submitted more than one application?

If the candidate submits more than one application the committee entertains only one application and the remaining applications are amalgamated. The acceptance/ rejection of this one application depends upon the particulars filled up by an applicant based on the eligibility criteria. Committee will take appropriate decision in such cases.

28. What details should I retain after completion of successful submission of my form?

It is strongly advised that after the completion of the process of submission of the online application, the applicant must take a print out of the submitted application form and keep the same for future reference. The candidate is also advised to keep his fee payment proof which might be required by the committee in case of any discrepancy.

29. What details should I provide to make correspondence with the committee?

In case of correspondence with the committee an applicant must mention these details -Name of post for which he applied, Advertisement number, registration id, Applicant's name, Father's name, Date of birth and the application number generated by website.
